

Cylindrical tank

- A** – producer;
- B** – manufacturing number;
- C** – capacity and diameter of tank;
- D** – homologation number and class;
- E** – production date (year/month);
- F** – validity date of tank

Toroidal (round) tank

- A** - producer;
- B** – manufacturing number;
- C** - capacity;
- D** – homologation number;
- E** – production date (year/month);
- F** – validity date of tank
- G** – tank diameter;
- H** – height of tank;
- I** - class;
